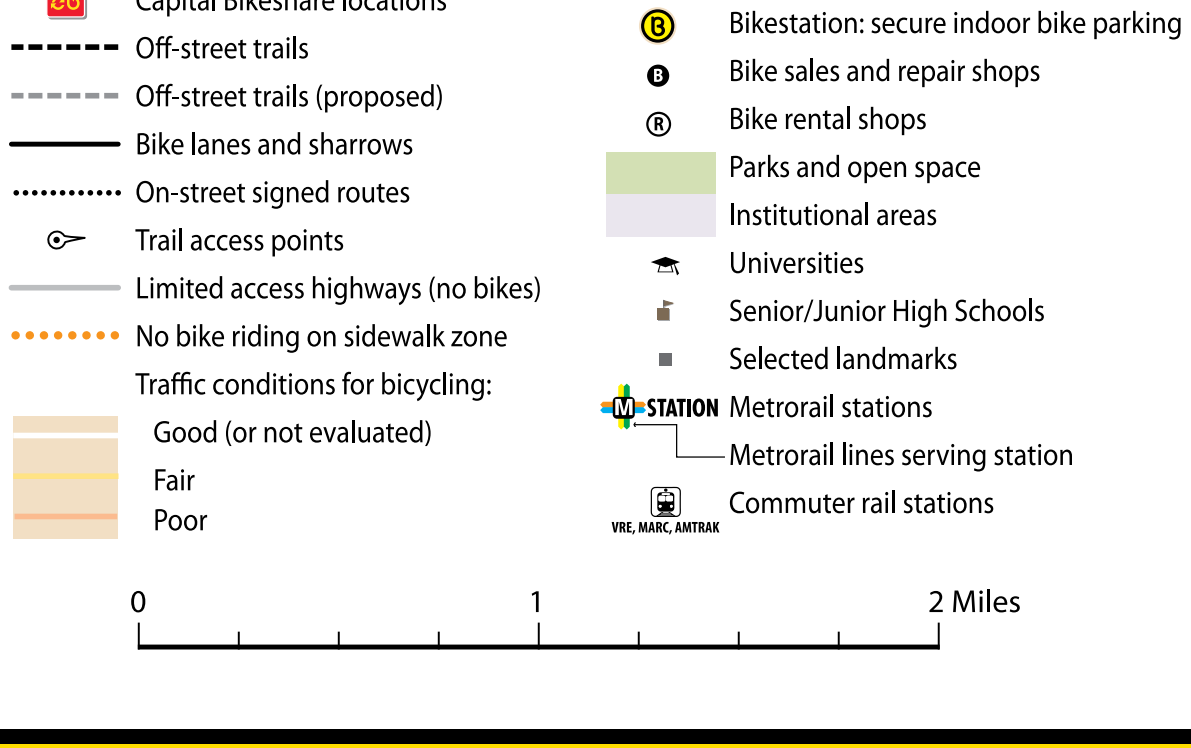
TRIP DISTANCES

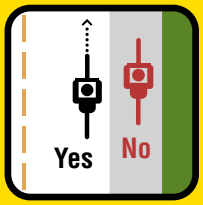


SAFETY TIPS

Whether riding Capital Bikeshare or your own bike, share the road and share the responsibility for making your bike trip a safe one. Cyclists, motorists, and pedestrians get along better when they show courtesy and consideration.

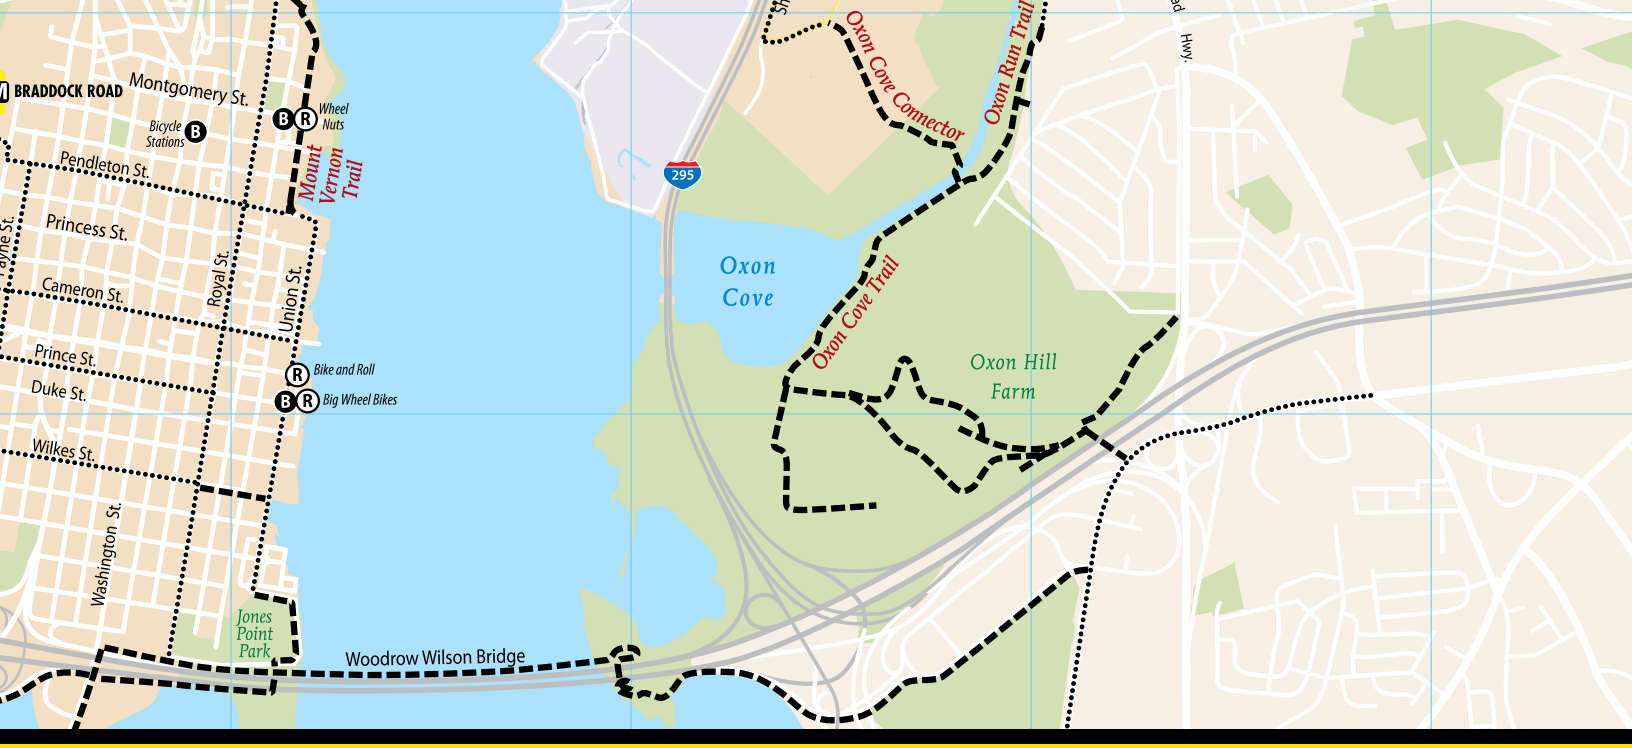
WEAR A HELMET.

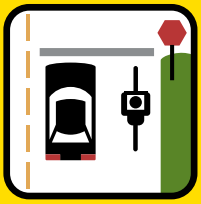
Helmets dramatically reduce the risk of head injury in a bicycle accident.



RIDE ON SIDEWALKS ONLY WHEN NECESSARY

and always yield to pedestrians. Riding on the sidewalk is illegal in downtown Washington, DC.





FOLLOW ALL TRAFFIC LAWS.

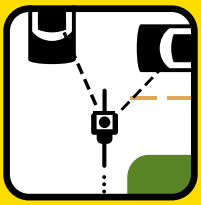
Bicyclists are required to obey all regulatory signs and traffic lights.

BEWARE OF PARKED CAR DOORS—THEY CAN OPEN AT ANY TIME.

Ride at least 5 feet away from parked vehicles.

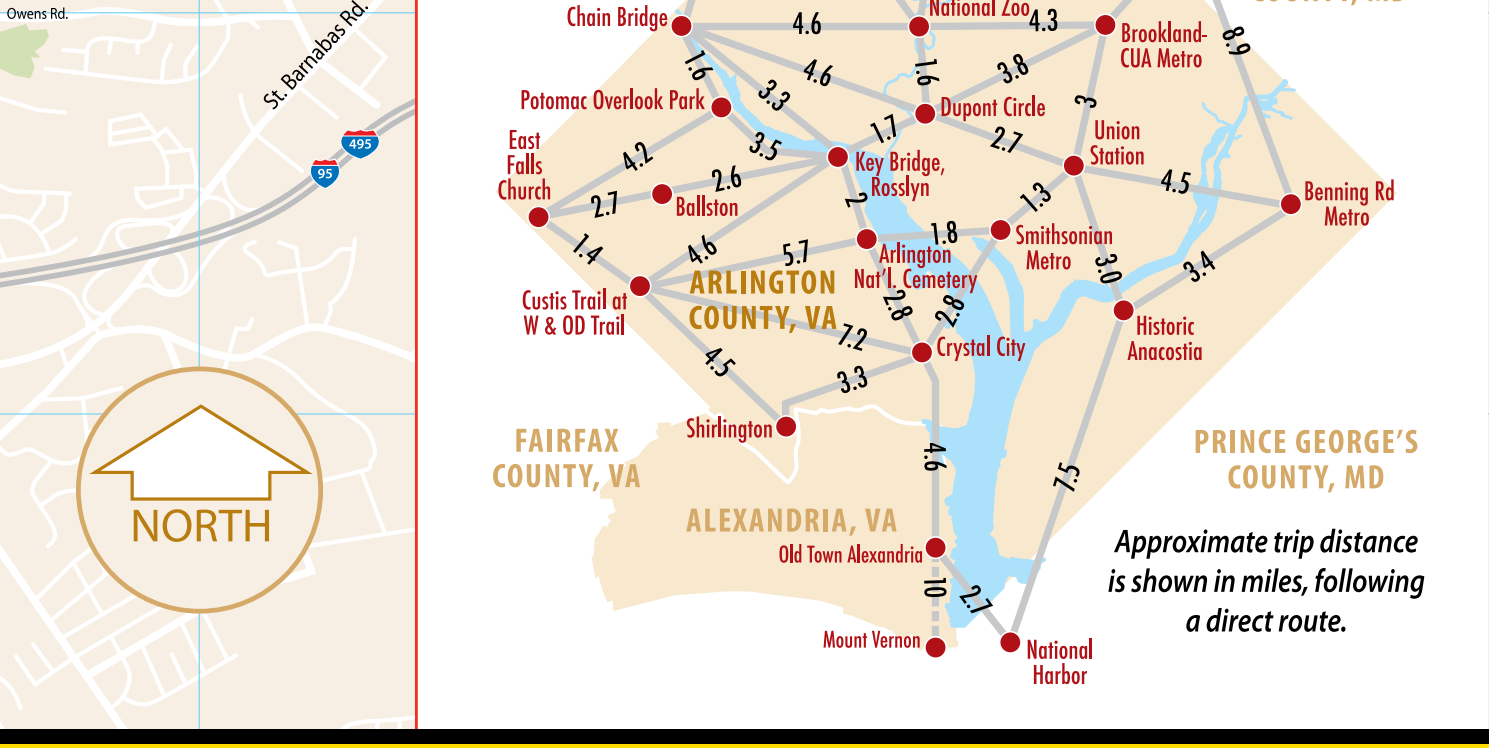
USE HAND SIGNALS

to tell motorists, cyclists, and pedestrians what you intend to do. Be predictable.

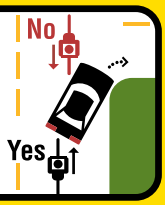


BE CAREFUL AT INTERSECTIONS.

Use caution since most collisions occur at intersections. Watch for turning vehicles.

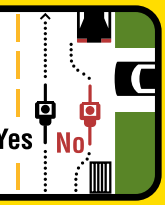


Approximate trip distance is shown in miles, following a direct route.



NEVER RIDE AGAINST TRAFFIC.
Ride with traffic to avoid potential crashes.

RIDE IN SINGLE FILE,
except when passing.



DO NOT DODGE BETWEEN PARKED CARS.
Ride in a straight line at least 5 feet away from parked cars.

BE ALERT. Scan the road.
Always know your surroundings.
